## Manaslu Circuit Trek

### **Description**

Manasalu Circuit Trek, also known as Manaslu Trek, is an excellent trekking route in the Manaslu Region which lies northwest of Kathmandu, Nepal. The Manaslu Region itself is a popular destination for trekking in the Himalayas, which offers Tsum Valley Trek, Manaslu Trek, and Manaslu Tsum Valley Trek together which can take about 20 days. The Manaslu trek in the region is a popular trekking destination in Nepal that takes trekkers through beautiful and remote areas in the western part of Nepal.

The Manaslu Circuit trek route takes about 15 days and starts in the capital, Kathmandu. The actual trek starts in Machhakhola where trekkers drive to and begin trekking the Manaslu Circuit Trek. On average, trekkers must trek for about 7 hours a day. Trekkers consider treks through the Manaslu Region as one of the best trek experiences in Nepal. The Manaslu circuit difficulty can be ranked as a challenging but demanding trek.

Most Trekkers have a lifelong desire to complete the Manasalu Circuit Trek. Despite its rising popularity and demand, it has been far less crowded than its most traveled and sought-after Annapurna Base Camp Trek and Everest Base Camp Trek. This trek offers a beautiful mountain experience as you pass through the high Himalayas of Nepal. Mount Manaslu, with a height of 8,163 m, can be seen while trekking. Manasalu Trek also has a trekking trail that follows the historic salt trade route along the lovely Budi Gandaki River.

The Manaslu Circuit Trek provides an opportunity to trek through remote and adventurous trails magnificently decorated and ornamented with the Himalayas, such as Manasalu, Annapurna, and Shringi. As the trek passes through Manaslu Conservation, you will have the opportunity to see wild Himalayan Thar or blue sheep. The trekkers can experience stunning Himalayan terrain, high-altitude glaciers, diverse Tibetan culture, and rare species, among other things.

This circuit trek is not only rising in demand due to its astonishing beauty but also due to its flexibility. The trekkers can further expand their journey by joining Annapurna Circuit Trek from the Manaslu Circuit Trek if time is not the issue. The highest point on the trek is the Larkya La Pass (5,160 m), one of the longest passes in Nepal. We can get a very astonishing view of Cheo Himal, Himlung Himal, and giant Annapurna II.
